Michael Ray Lee Integrity Scholarship for High School Student Athletes

Michael (April 28, 1992-December 22, 2020), was educated in Greeley's WCSD #6 and the Colorado School of Mines in Petroleum Engineering. Along with his commitment to a strenuous academic schedule, Mike pursued his passion for golf at both the high school and collegiate levels, becoming a distinguished amateur golfer, earning many titles and recognitions. Mike lived his life under the ideals of dedication to a strong work ethic in both academics and athletics; being positive, friendly and welcoming to others; and most importantly, the personal quality of *integrity*. This is the trait the family has chosen as the focus for the scholarship that bears his name.
